## Dear Friends

Today we'll be focussing our thoughts on Jesus' baptism, as recorded for us in Matthew's Gospel (Matthew 3:13-end). Jesus goes out to see John the Baptist, who is baptising in the river Jordan, and asks to be baptised. John is taken aback, realising that this is 'One' who he has foretold would come. How could he – John – baptise one so much greater than himself? But John agrees; and as Jesus comes up out of the water the Holy Spirit descends on him in bodily form like a dove. And Jesus hears those extraordinary words of God the Father, 'This is my Son whom I love; with him I am well pleased'.

It's a pivotal moment in Jesus' life, just as each of our baptisms are for us. It's the moment we 'begin' our journey in faith; the moment we start to 'belong' to the body of Christ, the Church; the time we start to 'believe' in Jesus Christ, as Lord and Saviour. These three 'Bs' – beginning, belonging, believing – summarise the central aspects of baptism.

As the new year begins this is a good moment to reflect on baptism, and what it means for us. It's also a good moment to look beyond ourselves and consider who we know who might value an invitation to begin this process of belonging and believing in Jesus our Lord. As John the Baptist called people to be baptised, so we are entrusted with the task of inviting others to come and find a living faith; to make sure than no-one is overlooked; that none are left out in the cold.

Today I would encourage each of us to consider who the Lord is calling us to invite into his presence in the months ahead. We are a missionary church, and we need to keep that focus of invitation as we begin the year together.

Wishing you every blessing for this new year,.

Beverly

## Mission Focus for January: ReSkilled

Reskilled works with people who have been unemployed for at least 1 year (the average of participants is almost 7 years unemployed) to learn to make things out of wood, while also learning the general skills they will need to continue on to volunteering roles or paid employment. Most of the wood they use is recycled wood (so if you are getting rid of a table or other good wood, do contact them to see if they can use it). For further information see their website at [reskilled.org/](http://reskilled.org/) or contact [piers@reskilled.org](mailto:piers@reskilled.org).
